WORK EXPERIENCE

BMO Capital Markets

Jersey City, NJ

Summer Analyst, NAM Asset Servicing

Jun 2026-Aug 2026

- Managed and distributed 8+ daily operational reports covering corporate actions, proxy events, trade expirations, and settlement activity, enabling timely actioning across Asset Servicing workflows
- Reconciled stock loan and repo adjustments through DTCC Settlement Web and coordinated follow-up actions with counterparties to ensure accurate settlement processing
- Standardized 40+ standard operating procedures (SOPs) and job aids into BMO-approved templates using Microsoft Copilot, improving documentation consistency and accessibility
- Validated internal reports against DTCC and Broadridge data, identified discrepancies, and escalated breaks for resolution

Alka Oaks Partners

Remote

Private Equity Intern

Dec 2025-Mar 2026

- Conducted industry research on the healthcare revenue cycle management (RCM) sector, analyzing market trends, competitive dynamics, and growth drivers to assess investment opportunities
- Developed investment theses, compiled acquisition target lists, and supported due diligence for 3 prospective investments by assessing strategic fit, financial performance, and long-term value creation potential

Capital Society

Remote

Hedge Fund Analyst

Aug 2025-Jan 2026

- Analyzed a Fortune 500 company's financial performance, business model, and competitive positioning by benchmarking key metrics against industry peers to develop an equity investment recommendation.
- Created a 30+ slide investment presentation synthesizing financial trends, valuation insights, and strategic analysis

Springer Capital

Wilmette, IL

Finance Intern

Feb 2025-Aug 2025

- Built Excel models for 3-4 multifamily deals, analyzing financial and operational performance to assess investment viability
- Assessed rental markets and compiled data on 20+ prospective tenants to support leasing strategy and investment decisions
- Enhanced Excel trackers using pivot tables and lookup functions, reducing reporting errors and improving speed by 15-20%

Project Destined

Washington D.C.

Real Estate Private Equity Intern

May 2025-Jul 2025

- Underwrote a \$6.5M multifamily acquisition, forecasting 10-year cash flows and key financial assumptions in Excel
- Prepared an investment memorandum highlighting a 13.2% IRR, 3.2x equity multiple, and \$7.9M projected profit
- Benchmarked comparable properties and market metrics to evaluate investment performance and acquisition assumptions

LEADERSHIP & EXTRACURRICULAR EXPERIENCE

Rutgers Accounting Society

Newark, NJ

Fundraising Committee

Oct 2024-May 2025

- Led fundraising initiatives generating \$650+ to support professional development and networking events for 40+ members.
- Organized and executed multiple student engagement events that increased club participation and visibility by 12%
- Managed fundraising proceeds and developed a semester budget to allocate resources effectively across all club initiatives

Johnson & Johnson Case Competition

Newark, NJ

Participant

Apr 2025-Apr 2025

- Developed an investment recommendation for a J&J-modeled healthcare company expanding into the cancer treatment market
- Evaluated 3 early-stage breast cancer therapies using SWOT analysis and financial modeling (NPV, IRR, sensitivity analysis)
- Delivered a 20-minute investment pitch to senior J&J leadership and defended recommendations through live Q&A
